

Invitation

SAEINDIA REEV Final Event

1st Edition

8 Colleges ...

200+ Students ...

40+ Industry Experts ...

Date & Time :

08 Feb 2020,
9.00 am

The REEV (Range Extended Electric Vehicle) competition is set to be a game-changing student competition in India. Engineering students come together to compete for this prestigious title. REEV is conceived to mimic an OEM level engagement to provide an excellent exposure to students – starting from design and development to putting on road an urban mobility solution!

Organized by
