2. This Statement, which is the responsibility of the Company's management and approved by Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34") prescribed under Section 133 of Companies Act, 2013 ("the Act") read with relevant rules issued thereunder and other accounting principles generally accepted in India. 3. We conducted our review of Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. 4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited standalone financial results prepared in accordance with applicable accounting standards i.e. Indian Accounting Standards prescribed under Section 133 of the Act, read with relevant rules issued thereunder or by the Institute of Chartered Accountants of India and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and SEBI Circular dated July 5, 2016 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Notes on Segment Information :

- The Company is in the business of Engineering and Product R&D services. The Company's primary reporting segment is geographical as the revenue in non software related areas are not more than 10% of the total revenue.
- Assets and liabilities used in the Company's business are not identified to any of the reportable segments, as these are used interchangeably between segments. Management believes that it is not practicable to provide segment disclosures relating to total assets and liabilities since a meaningful segregation of the available data is onerous.
- The group has identified Engineering Services and manufacturing as a secondary segment

Notes :

1. The above financial results have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") 34 Interim Financial Reporting prescribed under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules as amended from time to time. These results have been reviewed by the audit committee and were taken on record by the Board of Directors at their meeting held on February 1, 2022. The review of the financial results for the quarter and nine months period ended December 31, 2021 has been carried out by the statutory auditors of the Company and have expressed an unmodified audit opinion on these unaudited financial results.

2. During the previous year the Company had invested in the new entity "ASM Digital Engineering Private Limited" (Formerly known as "Semcon India Private Limited") and purchased at its net asset value as on October 31, 2020. Since the said company has been acquired during the mid of the previous year certain figures of the consolidated financial information is not comparable.

3. The consolidated financial results relate to ASM Group. The Group consists of ASM Technologies Ltd and its wholly owned overseas subsidiaries and 70% share of partnership in RV Forms and Gears as follows

- ASM Digital Technologies Inc (formerly known as PINNACLE TALENT INC), USA
- ASM Digital Technologies Pte Limited (formerly known as ADVANCED SYNERGIC PTE LTD), SINGAPORE
- ESR ASSOCIATES INC, USA
- R V FORMS & GEARS LLP
- ASM TECHNOLOGIES LTD - JAPAN
- ASM Digital Engineering Private Limited (Formerly known as "Semcon India Private Limited")

4. The preparation of financial statements in conformity with Ind AS requires the management to make judgements, estimates and assumptions that affect the application of accounting policies and reported amounts of incomes, expenses and capital employed. Any further adjustments that may be necessary due to fresh evidence/facts and interpretations of MCA/ICA that may be observed/received at the time of finalization of annual financial statements for the year ended March 31, 2022.

5. Impact of COVID-19 on Business:

The management has considered the possible effects that may result from the Covid-19 pandemic on the carrying value of assets. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of this pandemic, the company, as at the date of approval of these financial results has used internal and external sources of information to assess the expected future performance of the company. The company has internally performed sensitivity analysis on the assumptions used and based on the current estimates, the company expects that the carrying amount of these assets, as reflected in the balance sheet as at December 31, 2021, are fully recoverable as on reporting date. The management has also estimated the future cashflows for the company with the possible effects that may result from the COVID-19 pandemic and does not foresee any adverse impact on its ability to continue as going concern and in meeting its liabilities as and when they fall due. The actual impact of the COVID-19 pandemic may be different from the estimated as at the date of approval of these financial results.

6. The overseas subsidiaries "Pinnacle Talent Inc, USA, Advanced Synergic Pte Ltd, Singapore and ASM - Japan" has accumulated losses which has exceeded its share capital and has eroded its net worth as at the end of the reporting period. The subsidiary's current liabilities exceeds at total assets by USD 17,59,004/- and JPY 1,95,00,793/- . However, the holding company is authorised by its Board to infuse further funds as and when required and the management has drawn up action plan which would reduce the company's operating costs in the coming years. Based on this, the management is of the opinion that the going concern assumption in preparation of the financial statements is appropriate.

7. The Board of directors have recommended an interim dividend of Rs 2.50 per share.

8. Corresponding figures of the previous period/year have been regrouped wherever necessary to correspond to current period/year classification.
